**EXAMINER INTERVIEW SUMMARY**

Sir:

During a telephone conversation with Examiner Tanh Q. Nguyen on September 11, 2006, the undersigned agreed to the claim amendments made by the Examiner's Amendment mailed with the Notice of Allowance on September 26, 2006. Mr. Nguyen had suggested these claim amendments in an earlier telephone call made by him to the undersigned on September 6, 2006. The reasons given by Mr. Nguyen for suggesting these claim amendments were to cancel non-elected claims and the existence of two references: US patent no. 5,829,014, already of record, and US patent no. 4,672,182, not yet of record. These references were asserted by Mr. Nguyen to be relevant to claims 69 and 80.

Respectfully submitted,
